PRICE FIVE CENTS

NEW REGISTRATION ARE TO ATTRACT AUTO TOURISTS

Customs Changes Made to Benefit Canada
Five-month Extension for Tourists' Permits

Ottawa, Aug. 8.—(Canadian Press)—Amended regulations governing the temporary admission into Canada of automobiles, motorcycles and bicycles for touring purposes have been issued by Hon. Jacques Bureau, Minister of Customs and Excise.

The former regulations provided for the granting of permits to non-residents of Canada or temporary visitors therein for the use of their automobiles in Canada for a period of thirty days for touring purposes only, with the condition that no such automobile could be re-imported into the country for a period of five months from the time of its importation under such permit. The amended regulations remove this restriction in regard to automobiles brought in for touring purposes for a period of over twenty-four hours and not exceeding thirty days, and provide that where the auto is kept in Canada for more than thirty days, the tourist is to report the same to the nearest collector of customs and excise and give a bond as required by the regulations, whereupon he may be permitted to use the car in Canada for touring purposes for a further period of five months. Thereafter he must return to the number of permits for touring purposes which may be given to a non-resident owner or temporary visitor, provided his car is exported under customs supervision within the limit of thirty days.

Checking System.

The regulations have not been changed in regard to automobiles owned by non-residents entering Canada for pleasure purposes for a period not exceeding twenty-four hours, in which case the collector at the frontier is authorized to permit entry without the usual report upon the owner surrendering his licence card, which is to be handed back to him on his return journey.

The former regulations provided the granting of a permit to a non-resident owner of an automobile if he was not connected with any business, but this restriction has been removed, as under such provision even the president of an automobile company in the United States could not bring his car into Canada for bona fide tourist purposes.

No change has been made in the regulations governing the admission of automobiles for touring purposes in bond for a period of six months.

NOVA SCOTIA COAL DISPUTE AWARD IS MADE

Ottawa, Aug. 8.—(Canadian Press)—The report of the board of conciliation in the dispute between the Inverness Coal and Railway Company and its employees has been received by the Minister of Labor. The findings are unanimous. The Department is hopeful they will be accepted by both parties and lead to a settlement of the dispute.

The chairman of the board which made the report was J. R. Osborne, of Ottawa. The company was represented by G. M. Mitchell, of Halifax, and the men by L. D. Currie, of Glace Bay.

Copies of the award have been sent by the Labor Department to the parties to the dispute.

GOVERNOR OF BURMA

London, Aug. 8.—(Canadian Press Cable)—The King has approved the appointment of Sir Reginald Craddock as Lieutenant-Governor of Burma.

COMMITTEE ON BRINGS WOMEN VANCOUVER

American Institute of Electrical Engineers Meets

Vancouver, Aug. 8.—"There is an intangible thing which we call professional spirit that raises work above the plane of mere money making," declared William M. Clellan, of Bethayres, Philadelphia, president of the American Institute of Electrical Engineers, at the opening session of that body's eleventh annual convention here this morning.

"As I study the world situation to-day it seems inevitable that the English-speaking peoples must lead the world in the forward march of progress. We have been making time, perhaps, for a few years, but we are now on the eve of a great advance," he said.

WELCOMED.

An address of welcome to the delegates was delivered by His Honor Walter C. Nichol, Lieutenant-Governor of British Columbia, who referred to the great advances made by the electrical profession in the last decade.

Vice-President O. B. Coldwell, of Portland, replied to the French delegates, declaring that the opportunities of the profession in the West, and particularly in the Northwest, probably exceeded the opportunities in any other part of the world.

Two papers were read at the morning session on technical subjects, the first by H. J. Wood, of Los Angeles, and the second by O. C. Merrill, executive secretary of the United States Federal Power Commission, who dealt with the experience of the Southern California Edison Company in increasing voltage upon its high power lines from 150 to 220 k.v.

MEN WHO KILLED SIR H. WILSON NOT ALLOWED APPEAL

London, Aug. 8.—The Attorney-General has refused to sanction an appeal to the House of Lords by Joseph O'Sullivan and Reginald Dunn, under sentence to be hanged August 10 for the assassination of Field Marshal Sir Henry Hugh Wilson, Counsel for the two men applied last week for permission to make the appeal.

Leader of Fascisti Orders Followers in Italy to Demobilize

Rome, Aug. 8.—Benito Mussolini, leader of the Fascisti organization, has instructed the secretary-general of the Fascisti to order by telegraph the demobilization of all the Fascisti throughout Italy, it was announced to-day.

A dispatch from Rome last evening said burnings and bloodshed were continuing in Italy. Drastic instructions had been issued to the military authorities from the Ministry of the Interior to put down the civil war at all costs and absolutely to prohibit demonstrations of all kinds.

NUNS NARROWLY ESCAPED DEATH

Quebec Sisters in China Where Typhoon Took 28,000 Lives

Montreal, Aug. 8.—French-Canadian nuns station at Swatow, 250 miles from Hongkong, where a typhoon last week caused 28,000 casualties, had miraculous escapes, according to information received here. The roof of the Ursuline convent, of which they were in charge was carried away, Sister Marie Rosemary, a mother superior, Mother Mary of the Incarnation and Mother Saint Cross, an English-speaking sister, all had narrow escapes. The convent, located in the Ursuline Sisterhood, Stanstead, Que., and left in June to form a new mission at Swatow.

WHEAT IS BEING CUT ON PRAIRIES

Great Work of Harvest Has Begun

Favorable British Columbia Fruit Reports

Winnipeg, Aug. 8.—(Canadian Press)—Stating that wheat cutting has already started and that it will be general in a week in many localities, another favorable crop report for the week ended yesterday was issued to-day by the Agricultural Department of the Canadian Pacific Railway here.

In Manitoba there have been showers in many parts of the province, beneficial to late grains and fodder crops. Cutting is becoming general in Southern districts and will be general throughout the province by the end of the week. Considerable damage was done by hail which beset the Macdonald and Portage in Prairie districts on July 31, but hopes are entertained that much of the damaged crop will revive.

Heavy rains throughout Saskatchewan, particularly in the Moose Jaw-Regina districts, and local showers in Saskatchewan and territory west have improved conditions and crops are now filling. Southern sections will indicate good crops. Wheat cutting will be general this week.

Alberta.

Harvesting has commenced in Alberta and the crop is ripening fast. Conditions in the southern districts still continue good and an average crop may be expected throughout the province.

No rains have been reported along the Edmonton, Dunvegan & British Columbia Railway, but the crops are standing the drought better than was expected. All grains are maturing rapidly, but the yields will be light. Rains would greatly assist.

British Columbia.

Despite the excessive heat and drought in British Columbia all tree fruits are doing well. Vegetables are moving freely, but the potato crop will be light owing to dry weather.

GERMAN CABINET PROTESTS AGAINST FRANCE'S COURSE

Berlin, Aug. 8.—The German Cabinet, after discussing the French "reparations" now being enforced for Germany's failure to promise payment in full of the pre-war private debts owing to Frenchmen, voted to issue an informal statement condemning Premier Poincare's procedure as illegal, especially in its relation to the Versailles Treaty and the Franco-German agreement concluded at Baden concerning titles to private property. No official counter-demonstration or formal protest is planned for the time being, as the Government is apparently desirous of waiting the outcome of the Allied discussion in London.

TONG LEADER WAS MURDERED IN NEW YORK

New York, Aug. 8.—Chinatown today seethed with rumors and sudden periods of panic among its Oriental population while the body of K. C. Low, national president of the Hip Sing, lay in state in the tong's headquarters in Pell Street. K. C. Low died early to-day after Chinese gunmen had toppled him into the gutter with a bullet in his back as he left a Chinese restaurant, across from his home.

Commission Members on Way to Coast

Three M.P.'s of Fisheries Group in Ottawa

Ottawa, Aug. 8.—Chairman Duff and the other Maritime Province members of the Royal Commission on British Columbia Fisheries are here on their way to the Pacific Coast. Mr. Duff is accompanied by A. W. Chisholm, Liberal M.P. for Inverness, and L. H. Martell, Liberal M.P. for Hants. They expect to leave for the West to-night. In British Columbia they will be joined by the other members of the commission: Alfred Stork, Liberal-Skeena; A. W. Neill, Independent-Comox-Alberni; W. G. McQuarrie, Conservative-New Westminster, and C. H. Dickie, Conservative-Nanaimo. It is expected that the hearings will last from four to six weeks.

"LOOSE CONDUCT" IN OFFICE ALLEGED

Premier Oliver Challenges Past of N. A. Wallinger

Cranbrook, Aug. 8.—Addressing a public meeting here last night in support of John Taylor, the Government candidate, Premier Oliver challenged the past of N. A. Wallinger, the Conservative candidate and former Government agent, had been unjustly dismissed from his position.

The Premier said point blankly that Mr. Wallinger had been summarily dismissed and claimed that his dismissal was justified from any common sense business point of view. He said that Mr. Wallinger was loud in his demands for an investigation when in reality the conduct of all officers had been twice investigated in 1921. The first investigation was made by Col. Ross Napier a year ago last April. Col. Napier had reported that there had been "a half per cent. of serious economic loss to the Province."

The Premier said that Mr. Wallinger had claimed that it was "a half per cent. of serious economic loss to the Province."

Being the first cases of their type this year in Victoria, charges were laid against four chiropractors of this city in the city police court to-day. The accused, separately charged, included Elizabeth Dwight, Frederick Eilers, Robert Collier, and Thomas Mercer. The charges read in brief that the accused not being registered under the Medical Act did unlawfully practice medicine for hire.

E. L. Tait, for the defendants, stated an agreement had been reached with Ernest Miller, the latter on behalf of the Attorney-General's Department, to stand the cases over until Monday for hearing. Magistrate Jay concurred, and granted the remand stated. The information was signed in the name of James Palmer, no evidence was taken, the charges being held to the adjournment came.

CHIROPRACTORS ARE NARROWLY ESCAPED DEATH

Four Local Practitioners Alleged to Be Unregistered

Hearing of Charges Will Proceed Monday

CABLE STATIONS SEIZED IN IRELAND

Insurgents Interfere With Atlantic Communication

London, Aug. 8.—Of the thirteen cables of the Commercial Cable Company, which handle the bulk of the trans-Atlantic service from Great Britain, only three were working to-day, those of the Western Union from their station at Penzance, Southwestern England. This is due to the seizure by Irish irregular forces of the Commercial Cable Company's station at Waterville, Southwestern Ireland, and the Western Union Station at Valentia, on the Kerry coast in the same region.

The Commercial Cable Company officials say the "insurgents are not permitting the operators to work." Apparently the officials here were not informed as to whether the cables were damaged or traffic only momentarily blocked.

The Commercial Cable management in New York stated last night that the power house and electric batteries at Waterville had been disabled. The extent of the damage was not known, it was said, but the cables themselves apparently had not been interfered with.

HARBOR BOARD OF VANCOUVER REORGANIZED

Vancouver, Aug. 8.—The Daily Province says that Sam McLean, Harbor Commissioner, to-day complied with a request from the Ottawa Government to send in his resignation. Colonel Kirkpatrick, who is now chairman of the Board, will remain a member, but R. E. Beattie, former M.P. for East Kootenay, will be the new chairman. The third member of the Board is Sam Prenter, former treasurer of the B. C. Breweries and a prominent Liberal of this city.

Drastic Plans for Germany are Made by France

Tight Financial Grip Discussed at Conference

London, Aug. 8.—The financial experts of the Allied delegations here, grappling with the German reparations problem, took up the study to-day of the proposed drastic measures of financial control in Germany provided for in the French draft of moratorium conditions. At one o'clock the experts took a recess for luncheon without having completed their labors.

It seemed doubtful early this afternoon if the full conference of the Allied leaders, headed by Premier Lloyd George and Premier Poincare, would be reconvened to-day. Premier Lloyd George went to the golf links this morning. He lunched with Premier Poincare at the French Embassy.

H. W. WOOD STILL CONSIDERS WHEAT BOARD LEADERSHIP

Calgary, Aug. 8.—H. W. Wood, president of the United Farmers of Alberta, is still considering the acceptance of the chairmanship of the Wheat Board. He stated to-day he had not yet reached a definite decision.

The probability is that he will make an announcement in the course of the day.

1922 TAXATION PER HEAD IN BRITAIN £17

London, Aug. 8.—(Canadian Press)—The Treasury Department has issued a statement showing taxation per head in the United Kingdom for the current year is over £17. In the United States taxation this year per head will be \$26.12; in France 516.6 francs; in Germany 2,255 marks, excluding the forced loan which is to yield 70,000,000 marks, or 1,167 per head. Taxation per head in Australia last year was £2.5, and in South Africa £2.5.

Farmer Cabinet of Manitoba Sworn In

Winnipeg, Aug. 8.—(Canadian Press)—Manitoba's Farmer Cabinet, sworn in at noon to-day in succession to the Norris administration, consists of the following:

Premier and Minister of Education—Hon. John Braeken.
Provincial Treasurer—Hon. F. M. Black.
Attorney-General—Hon. R. W. Craig, K.C., member-elect for Winnipeg.
Minister of Agriculture—Hon. Neil Cameron, member-elect for Minnedosa.
Minister of Public Works—Hon. W. R. Clubb, member-elect for Morris.
Provincial Secretary—Hon. D. L. McLeod, member-elect for Arthur.

The Cabinet is reduced in number from seven to six by the inclusion in the Premier's duties of the Department of Education.

Two of the new Cabinet Ministers are not members of the Legislature. Mr. Braeken is expected to seek election in the Pas, and Mr. Black, Provincial Treasurer, who now is treasurer of the United Grain Growers, in Rupertsland, the elections being deferred in both those ridings. Mr. Black is a stranger to active politics and to public life.

Mr. Black will also have the Public Telephone Department under his charge. The Immigration Department will come under the jurisdiction of Mr. Cameron, and matters concerning public health under Mr. McLeod.

BRITISH AND FRENCH PREMIERS TALKED

London, Aug. 8.—After lunch the French and British Premiers, the chief figures at the Allied conference here, had a long conversation at the French Embassy and Premier Poincare late to-day called on Premier Lloyd George of Belgium.

The French Premier, it was learned to-day, does not regard his plan, now being considered by the Finance Ministers as his "final word."

"Is this your final financial proposal?" Mr. Lloyd George asked to-day the conclusion of yesterday's meeting.

"No, I do not consider it as such," Premier Poincare replied.

If it were not so, Mr. Lloyd George might well be of no use to refer it to experts.

It was upon that understanding, it was said to-day, that the Finance Ministers and associated experts were examining the plan.

HUNTING "PRINCE" AS A BIGAMIST

Boston Police Say He Was Factory Hand

Boston, Aug. 8.—"Prince Louis Henri de Bourbon," who left a glittering Russian uniform behind in his New York apartment when the police were called to his door, was not in fact Harold Schwarm, a New Britain, Conn., factory hand, was being sought to-day by Boston police officers on suspicion of bigamy.

Officers were checking up reports that four women had been married to the man at various times in a career that included a job as a dishwasher at the Taunton Insane Hospital; that the first wife was said to be Miss Ethel Abetz, of New Britain, Conn., whom the "Prince" is alleged to have married in Hartford in 1918; and the second wife, Miss Catherine Lynn, of this city, a department store clerk, whom he was reported to have been a nurse in the Taunton Insane Hospital and the fourth a Brooklyn, N.Y., girl, who was employed in the Metropolitan Hospital on Welfare Island.

Arrested and Released

New York, Aug. 8.—"Prince Louis Henri de Bourbon," as West 96th Street knew him for a few scintillating hours—now sought in Boston on suspicion of bigamy—achieved the pinnacle of his fame in New York last week when, attired in all the splendor of his Russian uniform, he got himself arrested on a charge of disorderly conduct. He was, after release, the pretender disappeared Saturday, putting only to take an Italian wolfhound, which he described as a present from the Pope, after a detective had visited him to inquire whether it was true, as was reported, that he was Harold Schwarm of New Britain, Conn.

A few hours later the "Princess," described by her spouse as a prominent society girl, also dropped out of the picture, leaving in the apartment only Joe Terry, an ex-seller, who had acted as secretary to "His Highness," and Chester, the "Prince's" royal monkey.

CAR ON FIRE

Shortly after 10:20 p.m. last night the fire department was called to attend an alarm from Foul Bay Road and Chandler Street, where an automobile was ablaze. The fire was extinguished, but some damage resulted to the car.

MAN FELL FROM HOUSE AND HIS BACK WAS BROKEN

London, Ont., Aug. 8.—Lloyd O'Brien, 23, who yesterday sustained a fracture of the spine when he fell 20 feet off a house and landed on his feet, is still alive. Doctors, however, are unable to say whether he will recover.

NORTHCLIFFE'S CONDITION IS UNCHANGED

London, Aug. 8.—The condition of Lord Northcliffe, who has been gravely ill for several days, was unchanged to-day.

PETERBORO WILL BUY COAL SUPPLY

Peterboro, Aug. 8.—The City Council last night took steps to avert a fuel shortage in Peterboro by instructing the city solicitor to draw up a by-law authorizing the engineer for the purchase of fuel.

RAILWAY STRIKE DANGER BELIEVED PAST IN CANADA

Shopmen's Arbitration Board Meets in Ottawa
U.S. Rail Workers' Leaders Called to Confer

Ottawa, Aug. 8.—(Canadian Press)—With the first meeting of the board of conciliation in the dispute between the Canadian railways and their shop employees, which was held in this city this morning, it is thought the danger of a strike is past. For a time there was considerable anxiety over this situation, but it is now believed that an amicable adjustment will be reached.

The Board, which is composed of Alexander Smith, chairman, Isaac Pitblado for the companies and James Simpson for the men, devoted to-day to organization only. The next meeting will be held in Montreal at 10:30 a. m. Thursday. This Board will inquire into a dispute that came to a head in June after extensive negotiations between the Railway Association of Canada and the men's organizations. No agreement could be reached and the companies gave notice of a reduction in wages to come into effect on July 16. The men applied for a Board under the Lemieux Act, and to-day it began its sittings.

TWO BOARDS ARE TO HOLD HEARINGS

Ottawa, Aug. 8.—(Canadian Press)—The appointment of a chairman is expected shortly to the board of investigation between the Canadian National Railways and their employees who are members of the Canadian Brotherhood of Railway Employees. The men have nominated H. S. Ross, of Montreal, and the company George D. Kelley, of Ottawa.

A second board is being formed for the same purpose to apply to the Grand Trunk. In this instance the brotherhood is also represented by Mr. Ross, and the company has nominated U. E. Gillen, of Toronto.

RAILROAD MEN'S LEADERS IN U.S. CALLED TO MEET

Cleveland, Ohio, Aug. 8.—Warren S. Stone, president of the Brotherhood of Locomotive Engineers, this morning telegraphed sixteen chiefs of railroad brotherhoods, asking them to attend a conference in Washington next Friday to consider the railroad situation throughout the country and "avert the impending calamity of a collapse in transportation."

President Stone's action was taken following receipt of a telegram this morning from B. M. Jewell, head of the shopcraft union; William H. Johnson, president of the International Association of Machinists; and J. F. Noonan, president of the Brotherhood of Electrical Workers, asking him to call such a meeting.

"I called the Brotherhood chiefs together as requested," Mr. Stone said, "but I do not know just what action will be taken."

SUN'S CHINESE TROOPS SUFFER DEFEATS IN FIELD

Canton, China, Aug. 8.—Lokchong, about thirty miles north of Shihow and 150 miles north of Canton, has been captured by the Chen Chiang Ming forces opposing the expedition which has been driving southward in an effort to recapture Canton for Sun Yat Sen, the deposed President of the Southern Republic.

The Sun Yat Sen troops are retreating toward the Province of Honan.

Another wing of General Chen Chiang Ming's army has not yet crossed the enemy beyond Nanyang, northeast of Shihow, driving them into the hills bordering the Province of Kiangsi.

Although Canton is in possession of General Chen, Sun Yat Sen has remained in the harbor aboard his cruiser, the "Wing-shan." It is reported, however, that Chen now is making plans to starve out Sun by blockade and perhaps to capture him.

DAVIS CUP PLAYERS GET READY FOR FRAY

Boston, Aug. 8.—The Australian and French Davis Cup lawn tennis teams practised on the Chestnut Hill courts of the Longwood Cricket Club yesterday in preparation for their semi-final contest there this week. The Australian, Pat O'Hara Wood, was improved and said he would be able to play in the doubles on Friday. If he should be selected for the team, James O. Anderson was slowed up by a heavy cold and G. L. Patterson said he was not yet at top form. Patterson displayed some hard stroking, while Anderson was exchanging shots with Wood.
The French players arrived late, but in time for some good warming-up play with each other and with

Alfred Carmichael Heard in Stirring Appeal for Civic Pride

Leading Realty Man Addresses Kiwanis Club To-day

That citizens of Victoria had a rare heritage of natural charm in their community and the surrounding districts and that not sufficient pride was taken in this fact, was the burden of the message given to the Kiwanis Club at the regular Tuesday luncheon at the Dominion Hotel to-day by Kiwanian Alfred Carmichael in an interesting address on "Our Own Home Town."

Dealing with the discovery of the Pacific Coast, the exploration of the Sound and the founding of Camosun in 1843, the speaker recited interestingly how this coast came to secure the attention of world-wide explorers. Some 400 years ago the Pacific was unknown, and in 1513 the Spanish captain Balboa set out to prove the existence of an assertion that a great body of water was on this side of the continent.

Following that date the explorations of Captains Cook, John Meares and Vancouver by water, and the overland explorers such as Mackenzie, Thompson, Lewis and Clark gained for the world the knowledge of the great west, held the speaker. The Fraser River gold discovery of 1858 was responsible for the growth of Victoria almost overnight from a population of 800 into a town of 20,000 souls, continued Mr. Carmichael. To-day south of the Malahat the district of Greater Victoria has a population of 53,000 people, he stated.

Value of Institutions.
The seat of the Provincial Government, first parliament buildings on the Continent, continued the speaker, who urged that citizens did not take sufficient pride in the buildings. The Provincial Library was one of the finest on the coast, held the speaker, who pointed out the value of such assets to the city from the tourist viewpoint.

The museum, containing one of the finest anthropological collections on the Continent, the Dominion Astrophysical Observatory, with its second largest telescope in the world, and many other points were dealt with by the speaker, each being lauded as a source of pride and a danger of being lost sight of by the indifference on the part of the general public to their own exceptional possessions, and to the natural climate and other advantages of their environment.

The City's Assets.
As a city Victoria has 75 miles of paved roads, 65 miles of boulevards, 100 miles of water frontage, and a great many other assets, which he pointed out. "Victoria is a city of house owners, and home owners," he continued, "and this is the very finest basis of citizenship should be developed." At this stage the speaker traced in interesting vein the scenic wonders of the city and island, which he emphasized were an "everlasting asset to the tourist trade."

Victoria as a seaport has a great future, continued the speaker, who pointed out that in 1920 eight million tons of shipping had called and left this port. With modern docks and the new drydock the future of this city as a seaport could not be overestimated.

Present Industries.
That the policy of seeking new industries in the face of the fact that Victoria had already 100 industries, large and small, within her borders, might not be as wise as a fostering of existing industries, held the speaker, who pointed out that few realized the extent of local manufacturing products.

With the whole of Vancouver Island and its hinterland, Victoria had a wonderful future, being contiguous to an island packed in natural resources. Some 117 billions of feet of timber, 2,191,000 tons of coal reserve, with countless other mineral assets formed a fund of natural resources that waited but capital and enterprise to expand into industry, held the speaker.

Five Roads.
Island roads, first class thoroughfares to the extent of 1,600 miles, running through unexcelled scenery provided a call to the tourist on the one hand, and a lure to the manufacturer on the other, that could not be overestimated, continued Mr. Carmichael.

Living in such surroundings, continued the speaker, citizens of Victoria might well be more conscious of the real worth of their city, and justly proud of its history and progress. In the future lay the real test, and the future was largely what the citizens made of it. Mr. Carmichael was given a hearty ovation at the conclusion of his hearing.

It is interesting to note that Mr. Carmichael was placed high at the Pacific Northwest Realty Convention for his address on this subject, only giving way to the winner, from

MOTORISTS' CAMP AT GORGE

Portland, and some at the convention thought it should have been the best.

LIQUOR SELLERS ABOVE HOLIDAY LAW; POLICE TO MAKE TEST; POOR P.G.E. OUTLOOK; DELEGATES ALL CHOSEN

Police and Liquor Board may clash to-morrow in a struggle to discover whether liquor vendors' shops are above the half-holiday laws which have to be obeyed by all commercial concerns.

James Falconer, commissioner of the Board, announced to-day that the liquor stores of Vancouver, Victoria, North Vancouver and New Westminster would all carry on business as usual to-morrow afternoon, running from 11 a.m. straight through until 7 p.m.

Chief Anderson of the Vancouver Police Force said that liquor stores have no right to do business on a half-holiday and must continue to remain closed as they have in the past. The Chief announced that he is going to take into court all vendors caught with the doors of their shops open to-morrow afternoon. Similar seizures of liquor vendors in other places are expected.

Commissioner Falconer's stand is backed up by W. D. Carter, K.C., Deputy Attorney-General.

"We take the position that the Weekly Half-Holiday Act does not apply to the Crown as the Crown is not mentioned in it," Mr. Carter said. "The Crown is not bound by any act unless it is particularly mentioned in it. In this act the Crown is neither mentioned nor is its inclusion implied."

Although he has not yet made public the Sullivan report on the Pacific Great Eastern Railway, Premier Oliver has this much to say about what it contains:

This eminent engineer does not hold out much hope for the P. G. E. ever being a paying line. Mr. Sullivan had experience in connection with the Panama Canal and said that if the route of that waterway had been anything like the route of the P. G. E. the canal would never have been built.

List of Victoria delegates to attend the Conservative convention at Vancouver on August 21, has been completed as follows:

Ward One—Mrs. Frances Walker, Charles Aspley, George Okell, P. J. Sinnett, F. J. Popham, W. H. Price, Colonel W. Ridgway Wilson and J. H. Seabrook; alternates, J. Otto, H. Monette, T. Redding and John Dean.

Ward Two—Mrs. Witty, Mrs. Easler, Mrs. E. Fulton, George Miller, George Grimason, Watson Clark, George Penketh and Frank Briers; alternates, Mrs. P. Campbell, R. Waram, T. Heaslip and L. Gupit.

Ward Three—Mrs. Keays, Miss Tuiley, E. Rogerson, A. Petch, H. Savage, C. Sylvester, C. H. Revercomb and J. O. Dunford; alternates, W. E. Stenland, H. Owens, H. MacDonald and D. B. Plunkett.

Ward Four—Miss Mara, Major Gus Lyons, Captain H. W. R. Moore, C. T. Cross, John Day, Lindley Crease, K.C., A. Aikman and B. L. Robertson; alternates, Mrs. Conacher, Mrs. Reid, A. C. Flumerfelt and R. W. Perry.

Ward Five—Mrs. Roberts, Mrs. Mount, Colonel Grant Godson, Dr. Shaw, William Duck, A. F. Stevens, L. Alexander and Ald. Reginald Hayward; alternates, Mrs. R. F. Green, Mrs. Brown, E. Miller and A. L. Kirkpatrick.

Delegates and alternates will all meet at the Conservative Club at 8.30 o'clock Thursday night to discuss plans.

The Belcher British Empire Exhibition Mission which is coming here from Australia has again been delayed. It is now due to arrive in Victoria on the Niagara on September 16.

Aikman Not Cross
The report in these columns on Saturday of the Ward Four Conservative Association meeting, which was held on Friday evening, inadvertently tributed to Mr. C. T. Cross, a criticism of Mr. Bowser's leadership which was voiced by J. A. Aikman.

STATES CASE OF DRYDOCK WORKERS

How Difficulty Arose; Night Shift Working Time Cut Causes Trouble

That there is general satisfaction among workers at the new Equimatt Drydock over the granting of a half holiday on Saturdays, is the assertion made to-day by Ben Simmonds, immediate past president of the Trades and Labor Council, in combating statements that the employees are anxious to resume work for a full six-day week.

"What the men are annoyed about is the cutting of the working time of the night shift to five days per week," asserted Mr. Simmonds. "This has been done with an objective which is so plain as to need no spotlight. It appears to have been instituted with an idea of fomenting trouble among the men, and getting them to surrender their half-day off."

Men's Own Action.
"The facts of the whole matter are as follows: Fair Wage Officer Bulger came over to Victoria when work shut down at the drydocks by governmental order.

"He addressed an open meeting of the men who had been employed on the dock, the gathering having been called by the Trades and Labor Council, but otherwise having no connection with organized labor.

"At that meeting the men themselves raised the question of shutting down on Saturday afternoons or being paid overtime, pointing out to Mr. Bulger that the existing practice of working full time on Saturdays was contrary to all Coast practice for years past and therefore banned by the contract with the Government.

"Mr. Bulger promised definitely that, if work should be resumed, Saturday would be a half day unless worked as overtime.

"Some of the men on the job, independent of the Trades and Labor Council, since the resumption of work have written to Fair Wage Officer Bulger and complained that his promise was of no effect. Mr. Bulger confirmed this through Secretary Woodward of the Trades and Labor Council, came over and went to the job, where he insisted on the carrying out of the contract terms, namely, a half day Saturday. He never informed the Trades and Labor Council of his intention to wield his authority.

"The trouble arises through the action of Superintendent Halpin, in cutting out the night shift altogether on Saturday. The men expected that the day shift would leave work at 11 o'clock on Saturday and the night shift would then carry on until 3 o'clock. Instead the whole works close down when the day men leave their jobs. This is what has caused the dissatisfaction. Outside of a few strawbosses, practically all the men want their half day off," concluded Mr. Simmonds, who is chairman of the Building Trades Committee, in charge of drydock matters.

OVERNIGHT ENTRIES

Vancouver, Aug. 8.—Official overnight entries, Wednesday, August 9, Hastings Park:

First race—Chief Anderson Purse, \$500, for three-year-olds and upwards, about five furlongs: Showers, 115; Peckman, 114; La Bete Noire, 114; Fireball, 114; C. Comiskey, 114; Desert, 114; Lomond, Jr., 107; Calgary, 107; Alice Richmond, 105; Lord, 104; 119.

Apprentice allowance claimed.

SEATTLE DRAWS FIRST BLOOD IN NET SERIES

Tacoma, Aug. 8.—Leon de Turenne and Armond Marion, representing the Seattle Tennis Club, eliminated Tacoma's entries, Wallace Scott and Guy Flye, in the first round of the double sectional tournament which started here yesterday in conjunction with the Pacific Northwest championships. The score was 6-3, 7-5, 6-2.

Turenne defeated Goss, of Portland, 6-2, 6-2, 6-4.

Wallace Scott, winner of the Tacoma championship match last week, defeated L. L. Villegas, Seattle, 6-4, 6-2, 6-1. Others winners were: Fenimore Cady, Spokane, over W. W. Kilworth, Tacoma; D. M. Gordon, Vancouver, B.C., over H. Stevens, Portland; and E. E. McCallum, Victoria, over F. Tromble, Hoquiam.

St. L. K. Verley, Vancouver, B.C., defeated Fenimore Cady, Spokane, 7-5, 6-0, 3-6, 6-3; E. H. Murphy, Portland, defeated T. W. Hall, Spokane, 6-3, 6-2, 6-2, 1-6, 6-4.

Sectional doubles—McVeagh and Stevens, Portland, defeated Daniels and Tromble, Hoquiam, 6-4, 6-4, 6-2.

Boys' singles—Howard Landrie, Seattle, defeated W. Givler, Portland, 6-3, 6-2; L. Brody, Spokane, defeated Fred Walker, Tacoma, 6-3, 6-2.

PRAIRIE HORSES RACE IN DEEP, HEAVY MUD

Sovereign II's Victory Feature of Winnipeg Driving Meet

Winnipeg, Aug. 7.—Running on a heavy track, which was fetlock deep, the long shots got in some good work in the second day's racing in the Winnipeg Driving Club meet here to-day. Seven running races filled the card and interesting finishes marked nearly every race. The meet was featured by the victory of Sovereign II. in the fourth race. Sovereign paid \$92.20 for a \$2 straight and \$21.70 for place tickets. Jockey, P. Fouts and Martin, who have ridden several winners, were suspended for the remainder of the meet owing to foul riding in the last race.

Summary.
First race, about five furlongs, special named horses owned in Manitoba; special weights; purse \$300—Elliott, won; Bazaar, second; Brownie, third; Snick, Little Page and Little Bernice also ran. Time, 1:13 1/4.

Second race, about five furlongs, for maidens and winners of one race; three years and upwards—Lucky Hay, won; Mulligan, second; Creighton Lad, third; Apple Blossom and Chateau also ran. Time, 1:10 1/4.

Third race, about five furlongs, for fillies and mares, three years and upwards; purse \$300—Ruth Weible, won; Ellen Chapman, second; Effie Randall, third; Wells and Impress also ran. Time, 1:08 1/4.

Fourth race, purse \$400, about five furlongs, three-year-olds—Sovereign II, won; Camouflage, second; John Spoon, third; Rockwood, Skookum and Utelus also ran. Time, 1:04 1/4.

Fifth race, one mile, for three-year-olds and upwards; purse \$500—China Jane, won; Prairie, second; Merry Marquis, third; Milton Robley, Fashion Girl, Walter Ina and Phil Martin also ran. Time, 2:02 1/4.

Sixth race, six furlongs, three-year-olds and upwards; purse \$400—Humma, won; Hasty Riches, second; Echo, third. Time, 1:30 1/4.

Seventh race, six furlongs, four-year-olds and upwards; purse \$200—Olds Eight, won; Fern Leaf, second; Certain Point, third. Time, 1:30.

Victoria Photo Club.—At the meeting of the Victoria Photo Club last evening George W. Atkins, of the Royal Photographic Society of London, England, and a past president of the Photo Convention of the United Kingdom, gave an interesting talk on his experiences and showed a number of interesting photographs. C. W. Holler, vice-chairman, presided in the absence of the president, A. S. Huxtable. The club will exhibit twenty-four prints at the Provincial Exhibition in September. E. Porter won the monthly prize with a beautiful study of a dog.

Your best friend lives right here

CANADA is a rich market for the national advertiser when the daily newspaper is a vital part of his merchandizing organization. It is a business graveyard for those who look far afield for miraculous help.

When your special salesmen, window dressers and sampling crews are building up sales in our trading area this month what possible effect has "national" circulation a thousand miles away on their effort, except to add the burden of wasted dollars to the product they sell.

With consistent intelligence you use this circulation to carry to-day's selected message to-day. If to-night's conference reveals to-morrow's big problem, to-morrow's newspaper will meet the task. This kind of advertising is not easy. It is not "publicity." It is controlled and directed merchandizing force.

"The flexibility of newspaper advertising and the choice it presents of the amount, class and location of circulation enable the advertiser quickly to direct his campaign wherever and whenever it is most needed," says The Canadian Shredded Wheat Co., Ltd.

Your good product, intelligently merchandized with the help of the daily newspaper will widen its market faster than production can keep pace with the increase.

Issued by the Canadian Daily Newspapers Association, Toronto

DEPARTURE OF "HUSKIE" FREIGHT TEAM FOR DAWSON IN 1898

Sleds drawn by dogs could travel over the Yukon from White Horse to Dawson long after the snow had left the soil. The view shows one of the early freighters departing from Victoria at the height of the Klondike rush for the North. These dog teams traveled with great speed and many an exciting race has been held between competing drivers in the wonderful Northland.

Hot Weather Foods for Children

Mothers have many problems in Summer, but none so full of peril as the problem of feeding the little ones. Happy the mother who knows

Shredded Wheat

Children like the tasty crispness of the baked whole wheat. It gives them all the nourishment they need in Summer, is so easily digested and fortifies them against those distressing ailments that are peculiar to Summer. It is salt-free and unsweetened—you season it to suit your taste.

Two biscuits with milk or cream make a complete, nourishing meal. Eat it for breakfast with sliced bananas or prunes; for lunch with berries; for dinner with sliced peaches, apricots, stewed raisins, or fresh fruits. Ready-cooked, ready-to-eat.

CUT DOWN ARMY EXPENDITURES

Both Australia and New Zealand Economizing

(Times Correspondence)

Wellington, Aug. 7.—Although Australia and New Zealand have commented adversely on Canada cutting down her navy to a point which is said to be below the needs of defence, both Australia and New Zealand have reduced their own armies to a negligible point also.

In Australia the defence force has been reduced from 80,000 to 30,000 men; in New Zealand the compulsory training system has been all but abandoned. General Sir Andrew Russell, New Zealand's leading general, says that with their present training it would be merely butchery to send New Zealand soldiers into a battle.

The Minister of Defence, Sir Heaton Rhodes, says the Government must economize, and that the employers want the men at work instead of in military camps. An efficient skeleton army, however, has been maintained to provide for training if war should come.

Massey's Views
Premier Massey says that war will come again, and that he for one does not believe the world has seen the last war yet. His remarks on this subject have been so pointed of late that the Presbyterian Church assemblies have taken them up and protested. The Auckland Presbytery has passed a resolution affirming its belief in the League of Nations and urging the Prime Minister, instead of predicting war, to take the lead in making the League an efficient instrument of peace.

Trade With Germany.
Resumption of trade with Germany will be considered by the New Zealand Parliament at the present session. Australia admitted German tenders on August 1 and it is pointed

out in the Dominion press that Canada has already done so. In the circumstances it is felt that it would not be unpatriotic for New Zealand to follow suit, particularly as it is well known that German goods are even now finding their way to New Zealand from British houses that have purchased them and shipped them here as British.

Returned soldiers are strongly opposed to the admission of the Germans but it is believed that the commercial community will carry the day.

New Baronet
When Sir Andrew Harvey Armstrong died recently in Auckland, those who knew him wondered to whom would his baronetcy go. He himself was at one time a captain in the Third Battalion Leinster Regiment (Royal Canadians), and served in the South African War with the Imperial Yeomanry. He was born in 1866 in Ireland and had resided for four years past in New Zealand.

His successor in the title, Sir Nesbitt Armstrong, was a seaman before the war for many years, and recently had been living in Napier, New Zealand, where no one knew there was a title in his family. He is related to Dame Nellie Melba, the famous Prima Donna, by marriage. In 1882 she married Charles Armstrong, the younger son of Sir Andrew Armstrong, the first baronet. The family estates are in King's County, Ireland.

Governor's Salary
There is much trouble in Fiji because the Governor has increased his own salary by an entertainment allowance of £700 a year, according to descriptions of the events which have reached here. The Legislative Council was so annoyed because it was not consulted that it took the unprecedented course of passing an amendment to the address in reply to the Governor's speech, pointing out that the Council was the proper authority to deal with finance and that the colony in its present state of depression could not be expected to pay a Governor £4,850 a year. The Governor, it seems, when on a visit to England, got the Colonial Office to sanction the increase, hence the indignation of the Legislative Council.

SAWMILL AND LUMBER BURNED IN ONTARIO

Englehart, Ont., Aug. 8.—The Sparks sawmill at Osseo, on the Elk Lake branch of the T. & N. O. Railway, and 800,000 feet of lumber were destroyed by fire, according to word which reached here to-day.

HON. H. S. BELAND RETURNS TO OTTAWA

Vancouver, Aug. 8.—Hon. H. S. Beland, Minister of Soldiers' Civil Re-establishment, and Madame Beland left for the East last night after a week's visit on the coast.

Hot Weather Saps Vitality

Ironized Yeast Will Restore It Quickly

Do you feel all "dragged out"? Can't sleep? Appetite poor? Does ordinary mental or physical exertion leave you exhausted? Do you wake up feeling "all in"? These are dangerous symptoms. For they indicate that the heat is sapping your energy, strength and resistance, and leaving you easy prey for all sorts of sickness.

The thing to do, if you want to overcome fatigue, and build energy at once—is to take two Ironized Yeast tablets with each meal. Then watch the results. Before you know it that exhausted feeling will have completely disappeared. You will be able to tackle all kinds of hard work—and actually enjoy it. You will be amazed at the wonderful change it will bring. Get it to-day. To try Ironized Yeast entirely free simply mail postcard for Famous 3-Day Test. Address Harold F. Ritchie & Co. Ltd., Dept. 84, Toronto. Ironized Yeast recommended and guaranteed by all good dealers. (Adv.)

CAREFULLY PLAN NEGOTIATIONS

Japanese Avoid Extensive Entanglements in Dealing With China Republic

Tokyo, Aug. 8.—The Japanese Government is proceeding warily in the preliminaries to negotiations with the Far Eastern Republic at Chita. It has recognized the appointment of M. Joffe as representative of the Moscow Soviet Government, under whose hegemony the Chita Government is.

The Japanese Government presupposes an attempt on the part of the Soviets to draw it into a general agreement such as that the Soviet concluded with Germany, and however anxious Japan is to conclude an agreement with the Far Eastern Republic on questions directly affecting its relations with that Government, before the withdrawal of Japanese troops from Siberia, it is guarding against the proposed conference taking up other questions. Japan will abide by her agreement with the other Allied powers not to negotiate separately with the Soviet.

HYDROAEROPLANE WRECKED IN LAKE

Government Airmen Emerged Safely from Accident in Manitoba

Winnipeg, Aug. 8.—Major V. D. Hobbs, superintendent of the Victoria Beach Air Station, arrived at Victoria Beach with the crew of five belonging to a Government hydroaeroplane which had been reported missing for more than a week. The machine, while landing to pay Indian treaty money, struck a rock in Lake Pikanquik. The crew made shore safely. Major Payton, commandant of The Pas station, was in charge of the machine.

FIND NATIVE LIARS WITH EASY DIVORCE

Togoland Race Bad Lot, British Government Reports

London, Aug. 8.—The natives of Togoland are a race of liars, says an official report on that British mandated sphere in Africa which was taken over from Germany. The report has just been issued around a "White Paper." Togoland was at one time a German Colonial possession in West Africa, and has a population of 900,000.

"The natives have no letters, arts or science," says the report. "Concealment of design is the first element of safety, and as this axiom has been consistently carried out for generations the native character is strongly marked by duplicity. Even in matters of little moment it is rare for them to speak the truth. They are unstable of purpose, dominated by impulse, unable to realize the future and restrain present desire, callously indifferent to suffering in others, but profuse in protestation of affection and good intention, afterwards woefully belied by actions."

"There are no specific grounds for divorce," continues the report. "The mere disinclination of one of the parties to continue the union being dissolved. Moral laxness is not unprevailing."

TWO WERE DROWNED.
Toronto, Aug. 8.—Floyd Wiggins, 18, and Wilfred Ward, 25, both of Toronto, lost their lives by drowning here yesterday.

VANCOUVER TAXES.
Vancouver, Aug. 7.—Taxes collected by the city during July totalled \$404,736.25, compared with \$379,123.75 for July last year.

The Cynical Bachelor observes that marriage is a lottery in which the capital prize frequently takes the form of alimony.

LABOR CONGRESS TO START AUG. 21

Canadian Workers to Meet in Montreal

Arbitration and Unemployment to Be Discussed

Montreal, Aug. 8.—Five hundred trade union delegates from all parts of Canada, together with fraternal delegates from Great Britain and the United States, will attend the 24th annual convention of the Trades and Labor Congress of Canada, which will open here August 21.

The question of arbitration in labor disputes affecting industries and public utilities will be one of the most important matters discussed. The unemployment problem will also figure prominently in the discussions, it is expected.

The desirability of putting into force throughout Canada the programme agreed upon by the International Labor Bureau of the League of Nations will be urged. W. Carter, M.P., of Sherwood, Ont., representing the Nottingham Miners' Federation of Great Britain, will be the fraternal delegate from overseas.

J. S. DESCHAMPS, ROSSLAND, DIED

Nelson, B. C., Aug. 8.—J. S. Deschamps, Rossland lumberman and contractor, died yesterday. Mr. Deschamps was taken suddenly ill while traveling by train last week, and was rushed to the hospital in Cranbrook, where an operation for appendicitis was performed. He appeared to be making good progress, but collapsed on Sunday and failed to rally.

Flags were lowered to half mast at Rossland yesterday, and the whole Kootenay community mourns the loss of a public-spirited man who has grown up with the country and been identified with every movement of public interest. Mr. Deschamps was 55 years old, and leaves a widow and four children at Rossland.

The body was shipped from Cranbrook to Rossland by train, and services will be held on Wednesday. Mr. Deschamps was a prominent member of the Knights of Columbus, an active supporter of all sports, and a keen curler. In 1920, as Liberal candidate, he contested the Rossland provincial constituency.

NORTH BURNABY FOREST FIRE IS UNDER CONTROL

Vancouver, Aug. 8.—The bush fires which threatened the powder magazine of the Canadian Explosives Company at North Burnaby yesterday have been brought under control, reports state.

TRADE UNIONISTS MEET IN DUBLIN

Dublin, Aug. 8.—At the opening of the Irish Trade Union Congress in Dublin yesterday the chairman, O'Shaughnessy, condemned the spirit of militarism displayed by the North and the South. He urged the working masses to shun political organizations and civil strife. He also denounced the censorship.

THE HORRORS OF INDIGESTION

Relieved by "Fruit-a-tives" The Fruit Medicine

Indigestion, Weak Digestion or partial digestion of food is one of the most serious of present-day complaints—because it is responsible for many serious troubles.

Those who suffer with indigestion, almost invariably are troubled with Rheumatism, Pimples, of the Heart, Sleeplessness and excessive Nervousness.

"Fruit-a-tives" will always relieve indigestion because these tablets strengthen the stomach muscles, increase the flow of the digestive juices and correct Constipation, which usually accompanies indigestion.

50c. a box, 6 for \$2.50, trial size 25c. At dealers or sent postpaid by Fruit-a-tives, Limited, Ottawa.

HISTORIC EVENT COMMEMORATED

Cross Erected Where First Mass Said in Ontario

Perfektangushene, Ont., Aug. 8.—With the firing of guns and the singing of hymns that were sung on the same site 300 years ago, the solemn ceremony of the unveiling of the Ontario memorial to the first mass said in the province was carried out yesterday in the presence of an immense crowd. The impressiveness of the occasion was little marred by adverse weather, and when the Union Jack, entwined around the granite cross with the Fleur-de-Lis of Old France, fluttered to the wind on the site of ancient Carahouga amid the singing of the Vexilla Regis and Te Deum, it was a scene of intense emotion.

In the opening address of the unveiling, Colonel Alexander Fraser, asserted the event to be one of common interest to all, commemorating as it did the advent of Christianity to this province and the making of the triumph of spirituality over the influence of materialism.

MEMBERS OF BAR ASSOCIATION TO HEAR W. H. TAFT

San Francisco, Aug. 8.—William Howard Taft, Chief Justice of the United States Supreme Court, is here to attend the annual meeting of the American Bar Association and the California Bar Association. Mr. Taft was met at the station last night by Federal and State Supreme Court judges and other prominent officials, who escorted him to his hotel.

He will address the American Bar Association Thursday morning on "Reforms in Federal Procedure."

NEWS AND NOTES OF THE MINES

Strike on Big Missouri.

A strike of high grade argentite silver-gold ore, similar to that in the Premier, was unexpectedly made on the surface at the Big Missouri mine, Stewart, last week, says The Prince Rupert News. A. B. Trites, of Fernie, who, with associates, has bonded this property, arrived from Stewart last night on his way South. He and other persons who have seen the new ore are very enthusiastic over it, and believe that a strike worth while has been made.

Prospecting and development work on the Big Missouri started a fortnight ago. To proceed with the work it was necessary to drain a small lake and a ditch was being cut through the surface rock to get to it. Shortly after trenching started the strike of rich ore was made, and it was followed for 200 feet and crosscut 14 feet in one place. Some very rich samples have been taken off it, and Mr. Trites had some of these with him last night. Preliminary assays have been made and the ore will undergo further examinations. It is of

HEAD-FIX FOR Sick and Nervous Headaches

NEURALGIA and MIGRAINE PAIN NO OPiates or INJURIOUS DRUGS Just what your physician might prescribe in capsule form. All druggists 35c PER BOX Vancouver Drug Co., Ltd., Special Agents.

high value, but definite figures have not yet been secured. The Big Missouri, located on Cascade Creek, a tributary of the Salmon River, is 15 miles from Stewart and about six miles from the Premier. It is one of the older properties in the Stewart district, and was located by the Lindenberg brothers. It was originally bonded by the Mackenzie & Mann interests, but allowed to drop. More recently it has again been attracting attention.

DOMINION

Every so often a motion picture director becomes the "star" of his profession. Just like in sports or in the industrial world, the one who achieves something extraordinarily remarkable in some special line of endeavor is hailed as the genius of the psychological moment.

Such is the position that George Melford finds himself in to-day, for his latest contribution to the silent stage is a production of unusual merit from an artistic standpoint and of immeasurable interest from the standpoint of the public.

That in brief but by no means thoroughly describes the presentation of the current Dominion attraction, "Behold My Wife," which

AMUSEMENTS TO-DAY

Dominion—"Behold My Wife."
Capitol—"If You Believe It, It's So."
Columbia—"Across the Dead Line."
Royal Victoria—"The Net."

opened yesterday for an entire week's run. Sometimes the star of a production deserves all the praise, and sometimes the co-star deserves special mention. But in this Paramount picture of "Behold My Wife" the entire cast of artists should receive equal recognition for the superb playing they have given.

CAPITOL

Leading woman in his new Paramount picture, "If You Believe It, It's So," and formerly a Triangle star, has recently established for herself an enviable reputation as a leading artist in several big productions, notably Maurice Tourneur's Paramount picture, "The Life Line," Goldwyn's "Little Shepherd of Kingdom Come," Vitagraph's "The Courage of Marge O'Doone," Fox's "Connecticut Yankee in King Arthur's Court" and Writman Bennett's "Salvation Nell."

Other notable players who will be seen in Mr. Meighan's support in this picture, now being shown at the Capitol Theatre, are Joseph Dowling, Theodore Roberts and Charles Ogle. Several scenes were made at Jamestown, Cal., one of the old-time mining camp towns of 49 and colloquially known as "Jimitown."

COLUMBIA

"Across the Dead Line," the Universal Special Attraction at the Columbia Theatre, to-day with Frank Mayo in the stellar role, is a story from the pen of Clarence Budington Kelland, who has written so many virile tales of the northland and its hardy folks. It was directed by Jack Conway.

ROYAL VICTORIA

Thrills, romance and mystery in a setting of exquisite artistry; action, heart-interest and a dash of history, are the ingredients that make up the splendid offering at the Royal Victoria Theatre this week, where Rex Beach's "Fair Lady" is holding rapt attention.

"Fair Lady" is a romance, but nevertheless a typically smashing Rex Beach story. It is an adaptation from the famous novel, "The Net," with much new material added at Mr. Beach's suggestion, and the result is a screen drama that meets every requirement of an exacting public. It is entertainment of the highest order, superbly put on in sumptuous sets and played by an exceptionally well-balanced cast.

Miss Betty Blythe is seen in the leading feminine role supported by Robert Elliott, Thurston Hall, Gladys Hulette, Florence Auer, Arnold Lucy, Macey Harlan, Walter James, Henry Leone and Effingham Pinto. It is a Whitman Bennett production directed by Kenneth Webb and released by the United Artists.

The story deals with the operations of a secret society of Sicily that transfers its operations to America with headquarters in New Orleans. The leader of this band of desperadoes is known as Card, but who Card is, is not revealed until the final scenes of the production. Card is in love with Margherita, a beautiful young Sicilian countess but makes known his feeling only through love letters addressed to her and threatening communications sent to all men who attempt to make love to her. When Margherita attempts to marry a young count, her fiancé is assassinated and Margherita takes the Sicilian oath of vengeance.

She sets out to trace down Card,

and follows him to America where she meets Norvin Blake. Blake falls desperately in love with her and so incurs the hatred of Card.

Card's hand continues to commit depredations and baffle the police until messages come signed "One Who Knows," that result in the arrest of one of Card's chief lieutenants. Blake is called upon to identify him and in doing so becomes a marked man.

Margherita refuses to listen to Blake's suit for her hand until Card is brought to justice and Blake determines to exert every effort to find and arrest him.

The outrages of the band continue to increase until the temper of the citizens reaches the breaking point, and then when the identity of Card is discovered, the rage of the people breaks out in a wild demonstration. A wild mob surges through the streets seeking the hiding place of

Card, while he, realizing that the end is near, determines to avenge himself on Blake. Card finds Blake in Margherita's home and a desperate hand-to-hand fight takes place between the men while Margherita, locked out of the room is a helpless spectator of the battle.

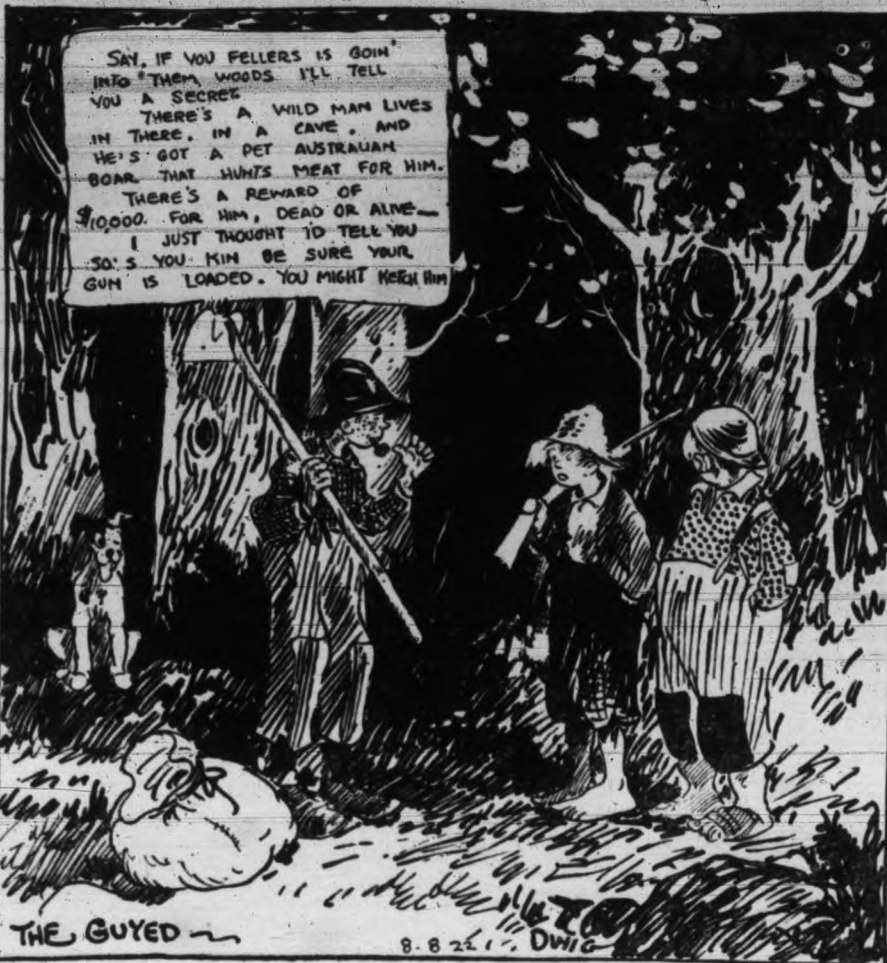

Card seems about to win the fight when the mob arrives and Lucrocia, Margherita's servant, takes personal vengeance on the desperate criminal. The entire production is admirably staged and the story is so cleverly told that interest is kept at high pitch from start to finish and the outcome is held in doubt right up to the last flash.

MODERN ENTERTAINMENT

The Playhouse, formerly the Princess Theatre, which is to open on Wednesday night, will furnish the public with the very latest form of modern entertainment. Many changes have taken place in the production of theatrical programmes in the last few years, since the development of the movie and the revue. A great deal of thought and study has been given to the subject by Mr. Reg. N. Hincks, who will manage the Playhouse shows, with the result that he has devised a plan which, it is believed, will provide just what the people want, and prove a great addition to the entertainment facilities of the city.

Associated with Mr. Hincks in the opening of The Playhouse are Mr. Herbert Kent, Mr. Stewart G. Clark, Mr. F. H. Allwood and Mr. Bob Webb, all well known to the theatre-going public. Dramatic and operatic talent second to none is available in Victoria, perhaps to a larger extent even than in much larger cities. It is from this store of talent that playhouse casts will be chosen, and in every case parts will be allotted to people particularly adapted for them.

Included in the cast of Playhouse show No. 1 are such well known and popular artists as Eva Hart, Eva Baird, Roberta Balcom, Phyllis Beck, Glen Rochfort, L. Bullock-Webster, Herbert Kent, F. H. Allwood, Bob Webb, R. N. Hincks, and Ernie Petch.

The first half of the bill includes a concerted number by the company, followed by a topical duet, a charming solo dance by Roberta Balcom, a few minutes of fun with Ernie Petch, and the last is closed with a dramatic sketch written by Mr. Hincks, in which the principal parts are played by Mr. L. Bullock-Webster and Mr. Hincks.

The second half of the bill constitutes The Playhouse specialty, a comic opera, "The Toreador," potted

to run just over an hour, during which time there are no less than sixteen musical numbers.

NEW OFFICES FOR SALADA IN ENGLAND

The Salada Tea Company has just removed its London, England, offices from 1 Mincing Lane to the magnificent new "Port of London" Building. This was recently erected because the thriving trade of world trade made larger and more commodious quarters necessary for the many busy port officials. The flow of shipping to and from London (which, by the way, is the greatest port in the world) is again established. For some time much shipping was diverted to Liverpool and Southampton, but the facilities now offered by the port of London to the merchant ships of the world are such that the miles of docks and warehouses are again pulsing with activity. As London is the tea market of the world, the Salada Tea Company maintains there at all times a staff of experts to arrange for its large requirements. The new offices in the "Port of London" Buildings will offer very much better facilities for transacting this "Salada" business, and in securing at all times the finest tea on the market.

BREAK, BREAK, BREAK

NEWS IN BRIEF

Veterans of France.—A general meeting of the Veterans of France will be held on Thursday, preceded by an executive meeting at 7 o'clock.

Here From Moose Jaw.—Fred J. Workman, of the Moose Jaw Times, was a visitor to the city today. He left on the afternoon boat for Vancouver and will continue his journey East shortly.

Daughters of St. George.—Victoria Lodge, Daughters of St. George, No. 33, will hold its annual picnic on Wednesday at Cordova Bay. A tally: No will leave Harmony Hall at 10.15 a.m. All members and friends are invited.

Found Lady's Costume.—A lady's costume, wrapped in paper, was found by Mrs. H. L. Sutton of this city, while on Douglas Street yesterday. The parcel was lodged with the police station, where it awaits its owner upon identification.

Soldier's Button Found.—An active service button, No. 160519 has been handed to the city police station, being found on the person of a man who is in the necessary identity papers will secure a return of the button to its owner.

Esquimalt Merchants' Picnic.—The Esquimalt merchants' picnic to Deep Bay will leave by special train at 9.45 to-morrow, returning at 5.30 o'clock and there are still a few tickets to dispose of, which may be obtained from members of the committee. Hot water will be provided on the grounds.

Will Interview Council.—On behalf of the contributors who defrayed the expenses of the city investigation by Dr. Adam Shortt, John Dean requested the City Council by letter last night for an interview on this subject. Without speculating as to the purpose of the interview the Council set Friday next at 2.30 p. m. as the time for the meeting.

Boy Scouts' Association.—A special meeting of the officers of the Victoria Boy Scouts' Association will be held at 8 p. m. to-morrow at room 311, B. C. Permanent Loan Building. Arrangements in connection with the forthcoming visit of the Governor-General will be discussed. All officers and those in charge of troops or packs are requested to make every effort to attend.

Guild of Health.—Rev. T. E. Rowe will address the members and friends of the Guild of Health in the Cathedral Schoolroom on Wednesday evening at 8 o'clock and may be consulted between 10.30 and 12.30 on Wednesday morning at 1126 Richardson Street. The Students' Bible class, conducted by Mr. Rowe, will meet on Thursday evening at 8 o'clock in the schoolroom of the Church of Our Lord.

Heard Regina Wireless.—Operating on a 20-foot indoor aerial with a detector tube a resident of this city last night picked up the broadcast from the Regina Morning Leader offices, Regina, with great clarity. The leader, using Canadian Radio Corporation instruments, has a two kilowatt set and has been heard by local fans for some time. The call letters of the Regina Leader Station are CKCK, though the wave length is not ascertained.

Burglary is Reported.—Thieves entered the Douglas Street store of the Victoria Owl Drug Company during the week end, and removed from \$30 to \$40 in cash from the till, it is learned. The entry was made by breaking a glass panel in the rear door, and turning the bolts. The place was carefully ransacked, but only the money is missing. The police are investigating.

Dardanelles Cases.—Charged with speeding in the Dardanelles, the narrow portion of Port Street, near St. Charles intersection, Joe Frank and Gordon Patterson were each fined \$20 in the city police court today. The last named defendant pleaded ignorance of the regulations, but the court held that his speed had been excessive, at a point where common sense should be the guide to driver to drive slowly.

Fined For Shouting.—Herbert Stocks, charged with shouting in solicitation of business for a tally-ho at the C. P. R. docks was fined \$10 in the city police court today, despite the fact that his employer, Andrew Caldwell, stated his driver could not be heard above a whisper, and was no "apieler." Magistrate Jay held others had been fined for a like offense under the same circumstances. Frank Higgins, K. C., appeared for the accused.

Progress on Procedure.—The procedure by-law, dealing with the duties of the mayor and aldermen while in session, received further attention in committee last night by the City Council, and progress was made. The fact that speakers should "rise to their feet, uncovered" to address the chair, elicited the remark that none of the members wore hats or wigs, and that the ordinance was therefore unnecessary. The inclusion of a comma saved the members from rising with their respective feet uncovered, it was discovered.

MITCHELL & DUNCAN

LIMITED JEWELERS, WATCHMAKERS, ETC.
Central Building Phone 675 View and Broad Streets
C. P. R. and B. C. Electric Watch Inspectors.

Given Prison Sentence.—The failure of the accused to establish an alibi for 30 minutes of time occupied in a midnight ramble on Sunday last led to a conviction in the police court today of John Clancy and William Martin. Each were given six months' hard labor, on a charge of retaining possession of five tins of varnish, the property of the T. B. Ross Company, Wharf Street.

Children Take Fruit.—Further depredations on the part of gangs of youngsters in and around the city, upon private orchards have led the police to take stricter precautions in this matter. In future the names of the culprits and their offences will be sought by the police for action in the juvenile court, it is said. Property owners are asked to co-operate with the police in bringing mischievous youngsters to book in this matter.

Canadian Legion.—The first general meeting of the Canadian Legion, Victoria Post, under the newly elected officers and executive council, will be held in the club rooms on Wednesday next, August 9, at 8 p. m. Routine business will be disposed of and various reports submitted as to the activities of the Association in regard to the interview with the Hon. Dr. Beland, M. P., Minister of Re-establishment and the Unemployment situation, particularly. All members are requested to attend as matters affecting the welfare of the organization are slated for discussion.

Girls' Camp Opened.—The annual camp arranged by the Victoria and District Girls' Work Board opened yesterday at Beaver Lake under the direction of Mrs. George Guy. The camp is divided into four groups under Miss McEwan, Miss Jean Graham, Miss de Wolfe and Miss Helen Henderson. The officers at the camp are the camp nurse, Miss McEwan; camp "mother," Miss Budd; camp cook, Miss Mowatt; sports officer, Miss Dorothy Hay; camp manager, Miss de Wolfe.

Fishermen Warned.—The recent amendments to the fishing provisions to be observed by B. C. fishermen include a weight limit of young salmon. It is now prohibited to sell, or to even expose for sale salmon under three pounds in weight or under. This puts a stop to the sale of grilse on this coast. A further regulation of interest to anglers defines "angling" as that species which is conducted with hook and line held in the hand, or by means of hook and line held in the hands by means of a rod. No fixed line trolling is now lawful. This provision does away with the practice of boom fishing from launches and other craft, where heretofore as many as eight lines have been trailed at once.

Sent to Jail.—Convicted of being in charge of a car while intoxicated George Paine was sentenced to two weeks' imprisonment to-day in the city police court. The arrest of the accused followed a serious motor accident on Sunday afternoon when a

RACING ADVOCATES SEEK COURT AID

Injunction Sought to Restrain Oak Bay from Prohibiting Fall Race Meet

Oak Bay Will Resist Counter Move, Supported by Legal Advice

As forecasted in The Times yesterday, papers have been filed on behalf of the pro-racing advocates asking for an injunction in the Supreme Court to quash the Oak Bay race-ban by-law. A copy of the papers was filed yesterday afternoon with the Oak Bay municipal officials in the name of Aaron Morley, 2096 Chaucer Street. T. S. McPherson, agent for Mr. Morley, who is described as a laborer, completed the filing.

The notice gives warning that the applicant intends to apply to the Supreme Court of British Columbia for an order quashing the race ban by-law of Oak Bay, and states two main grounds for such application: the first ground holds that it is beyond the competence of the Oak Bay Council to pass a restrictive measure of this nature; the second ground states holds that it is beyond the competence of the Provincial Legislature to grant powers to the municipality of Oak Bay to rule thus under the Municipal Act.

Though the application is lodged nominally in the name of Mr. Morley, it is generally understood that the pro-racing advocates are behind the counter move. Oak Bay Council is relying on the opinion of its legal adviser, H. G. Lawson, and will resist; if a protracted court action should be indicated it is possible that the municipality will seek additional legal advice with a view to having a ruling on the point as soon as possible. The obstacle thus raised by a ratepayer must be cleared away, it is held, before the Council can go to the Legislature this Fall to ask for powers to control racing by license within its borders.

WOULD PROLONG MAY QUEEN'S REIGN

Secretary Sylvester Advances Plan for Real Carnival

A three-day carnival for Victoria, incorporating and expanding the one-day celebration usually held on May 24, is suggested by C. B. Sylvester, secretary of the celebration committee.

Alderman Harvey, chairman of the committee, recommended an earlier start to be made in the plans for 1923, and having that plan in mind, the committee will meet at the City Hall on Thursday evening at 8 o'clock.

Secretary Sylvester will present the following draft proposals for the expanded celebration, believing that this scheme will meet with a hearty support from the general public. Opening day, Thursday, May 24—Morning, baseball and lacrosse; afternoon, parade of the May Queen, with coronation ceremonies in Beacon Hill Park; evening, the May Queen's ball at the Armory. Second day, Friday, May 25—Morning, band contests; organizations to be attracted from Portland, Seattle, Tacoma, Vancouver, Ladysmith, Nanaimo and other centres; afternoon, regatta and water sports at the Gorge; evening, street carnival. Third day, Saturday, May 26—Morning, military display, or sham battle to be arranged by the local military organizations; afternoon, school sports at the Willows; Boy Scouts display, racing, either horse or automobile. Should the suggestions enumerated prove acceptable to the celebration committee, it is expected sub-committees will be struck and organization of the various phases given an early start.

FORTHCOMING PICNICS

Aug. 9—Kiwanis Club, at Beach House, Sidney.
Aug. 9—Loyal Order of Moose, at Willows Beach.
Aug. 9—Princess Alexandra, Daughters and Maids of England, at Portage Inlet.
Aug. 9—Victoria Lodge, Daughters of St. George, at Cordova Bay.
Aug. 9—Esquimalt Merchants, at Deep Bay.
Aug. 9—Kirkham & Co., at Elk Lake.
Aug. 12—Canadian Legion, marine excursion.
Aug. 13—G. A. U. V., at Goldstream.
August 14—West Saanich Women's Institute, Sidney Experimental Farm.
Aug. 19—Liberal picnic, at Deep Bay.

Corns Go

Just say **Blue-jay** to your druggist

The simplest way to end a corn is Blue-jay. A touch stops the pain instantly. Then the corn loosens and comes out. Made in a colorless clear liquid (one drop does it) and in extra thin plaster. The action is the same.

Pain Stops Instantly

Used Pianos From \$90

and we'll arrange terms to suit your convenience.

In the temporary store premises we now occupy, space is so limited that no used Piano can be allowed to remain on our showroom floor for more than a few days. This week we have several high grade used Pianos which we have accepted as part payment on new instruments, and all of them must be sold immediately. Prices are down to a minimum for quick selling.

VANCOUVER ISLAND News

URGENT RAILWAY LINE BE USED

Sooke People to Discuss C.N.R. at Public Meeting

(Times Correspondence)
Sooke Harbor—A public meeting is to be held at the Sooke Hall on Monday, August 14, at 8 p.m., under the auspices of the Sooke Harbor Development Association, to take further action in relation to the non-operation of the Canadian National Railway between Victoria and Sooke Harbor.

For the past twelve years thousands of dollars have been spent in the Sooke Harbor district in anticipation of the operation of this railway, and thousands of dollars are lost to this section of Southern Vancouver Island each year through its non-operation. And while a number of men are continually employed upon the upkeep of this road and its bridges, with the exception of a few logging trains perhaps two per week—there is no return for all the public money which has been spent upon this road. It is not surprising that public feeling is being aroused, especially when it is clear to all that only the lack of cheaper transportation facilities is keeping back one of the finest districts within easy reach of the capital city of the Province. While a steam operated line might not be a paying concern, yet there is no doubt that a twice-a-week service, with frequent gas car service would pay and do a tremendous lot towards the development not only of Sooke Harbor, but all the intervening country through which the line passes.

Nature has made the Sooke Harbor district one of unique beauty, and never before have so many tourists and visitors come to this locality, as this year over the main motor road from Victoria, which demonstrates the fact that the district is becoming more and more popular. During last Spring the opportunity for making money seemed so good to one of the largest firms in Victoria owning sight-seeing cars that permission for running rights being granted over the finished track of the Canadian National was refused. The proposal being to change the ordinary wheels on the cars to flanged wheels to fit the rails, but this was not granted. The Sooke River Falls are claimed by those familiar with both to equal those near Banff for scenery and beauty, and these are within 500 yards of mile post 29 on the C.N.R. grade, and this year, no doubt, hundreds of tourists and holiday-makers would have patronized the road and seized the opportunity of visiting this beauty spot so near to Victoria had any sort of service been permitted.

Efforts are now being made towards a Greater Victoria Scheme, so that Victoria, one of the most beautiful cities upon the Pacific Coast and enjoying a wonderful climate, may be developed along the same lines as Los Angeles, California, but how can such splendid hopes mature if public money already spent is not put to good use? With unsurpassed scenery of varied nature, an ideal climate, cool nights and the many natural assets abounding in Southern Vancouver Island, there is absolutely no reason why Greater Victoria should not soon be realized and become the most popular resort in the Pacific Northwest.

It is hoped that the public meeting to be held at the Sooke Hall next Monday evening will be widely attended and pressure against the authorities to have this long completed road put into operation.

SOOKE ATTRACTS MANY VISITORS

(Times Correspondence)
Sooke Harbor—There was a large number of visitors to Sooke Harbor over the last week-end, and many were the cars parked Sunday afternoon in front of the Sooke Harbor Hotel, where the most lovely views of the harbor and Straits of Juan de Fuca is to be obtained. A right-seeing car also brought out quite a number for the drive. To those who were able to remain over until late in the evening a most glorious picture presented itself, as the full moon shed her light over these waters, and even residents in the district remarked upon the loveliness of the scene.

GOVERNMENT LIQUOR STORE AT SIDNEY

(Times Correspondence)
Sidney—A Government Liquor Store was opened here to-day. F. E. Smith is liquor vendor.
A large day is to be held here on Wednesday under the auspices of the North Saanich Women's Institute in aid of a former resident of Sidney, who has lost everything in one of the forest fires.

DUNCAN BASEBALL WON BY GIANTS

(Times Correspondence)
Duncan—In a league baseball match here the Giants beat the Cubs 11-4. A. Evans acted as umpire. The teams were:
Giants—Underwood, c.; Doney, p.; McNicol, 1b.; Brille, 2b.; George, 3b.; Lonsdale, rf.; E. McNicol, cf.; Murchie, lf.
Cubs—Evans, c.; Johnny, p.; Penney, 1b.; Chas. 2b.; Hill, ss.; Marsh, 3b.; Beckwith, rf.; Barrett, cf.; Woodward, lf.

Cuticura Soap always without mug.

DELEGATES TO CONSERVATIVE EVENT CHOSEN AT DUNCAN

(Times Correspondence)
Duncan—The National Liberal-Conservative Association here held a further meeting on Saturday afternoon for the purpose of electing delegates to the joint convention of the British Columbia Conservative Association and the National Liberal-Conservative party. G. Cheeke was in the chair and H. P. Tooker, representing the National Liberal-Conservative party, was also at the chairman's table.

Mr. Tooker explained that the meeting had been called by direction of headquarters in Vancouver and laid down the lines on which it was to be conducted. He said the purpose of the meeting was to appoint delegates to the forthcoming convention, and by direction of headquarters all those taking part in voting and the delegates themselves should sign a pledge undertaking to support the Liberal-Conservative party, both in Dominion and provincial elections. He did not think there was anything in the pledge that need prevent Conservatives from signing it; that it bound the party together in better unity and would be a factor in strengthening them and would in no way prejudice them if they signed it. He then asked all present to come up to the table and sign the pledge, so that the business of the meeting could be proceeded with. A few could not see their way to do this, so left the room.

The following ten delegates to the Vancouver convention, to be held on August 21, 22 and 23, were then elected:
Mrs. Hird, Duncan; Miss Davidson, Cobble Hill; Mrs. J. S. Reade, Cowichan; Messrs. Stewart Macleod, Cobble Hill; J. H. Whitmore, Duncan; G. F. Tautz, Maple Bay; R. Wilson, Duncan; H. R. Smiley, Chemainus; I. O. Averill, Cowichan; J. Edgercombe, Duncan, and three ex-officio, C. H. Dickie, M.P.; George A. Cheeke, candidate at the last provincial election, and W. Dwyer, representative of the National Liberal-Conservative party.

NURSING ASSOCIATION COMMITTEE TO MEET

(Times Correspondence)
Metehosin—An extraordinary special meeting of the management committee of the local Nursing Association will be held at Colwood Hall, on Thursday, August 10, at 8 p.m., Summer time. A full board meeting is requested.
A garden party under the auspices of the Metehosin Branch of the W. A. will be held in the grounds of Mrs. Rising's home, at Metehosin, on Wednesday, August 23, starting in the afternoon at 2.30. Among many other attractions there will be an arrival by kind permission of the Whitnans, Griffiths Brothers, whose tennis court is nearby, and clock golf will be arranged by Paul Rising.

NEW INDUSTRY AT SIDNEY THIS WEEK

(Times Correspondence)
Sidney—This week Sidney is to have a new industry. The Saanich Canning Company is going to produce chicken feed by grinding up all the clam shells which have been accumulating during the clam canning. A twelve horse-power electric motor has been installed and is capable of crushing six tons of shells a day. The dust from the crushing can also be made use of, as it is a good fertilizer.

COWICHAN PLAYERS WON GOLF EVENT

(Times Correspondence)
Duncan—A team from Nanaimo comprising 16 men visited the new links of the Cowichan Golf Club at this week-end and a very enjoyable competition resulted in a win for Cowichan by 18 points to 9 in the foursomes.
Appended are the full scores, the Cowichan names being placed first:
Singles—Heyworth 1, Grant 2; Dickie 3, McFarlane 2; Finlay 1, Meakin 1; Powell 2, Mitchell 0; Young 0, Mayeson 3; Duncan 1, Ford 1; Share 3, Gladholm 0; Peterson 3, Cunningham 0; Henslowe 3, McIntyre 0; Harvey 3, Barker 0.
Foursomes—Heyworth and Dickie 1, Grant and McFarlane 2; Finlay and Powell 1; Meakin and Mitchell 2; Young and Duncan 2; Mayeson and Ford 1; Share and Peterson 3; Gladholm and Cunningham 0; Henslowe and Harvey 3; McIntyre and Barker 0.

You may have a gown that is the latest, most chic, most becoming you have ever worn if you will devote a little time to reading the store ads before you do your frock shopping.

VISITORS TO SEE GIRL GUIDES' CAMP

(Times Correspondence.)

Sooke Harbor—The James Bay Company of the Girl Guides, with the Metochin and Sooke contingents, who are now in camp on the Sooke River flats, about a mile up the river on the west bank, attended church parade at Holy Trinity Church, Sooke, last Sunday. The girls, being quite a number, of small girls in the camp, it was decided that the distance was too far to march in the parade, and a request was made of Dr. Richard Feltton and Mr. J. Cummings they were conveyed by car in detachments to and from the service.

The Rev. F. Comley, Vicar of Metochin and Sooke, delivered a fitting address, pointing out that the camp was in reality a school where in they would learn many things. The discourse might be considered somewhat irksome but it was one of the most essential things in any such movement. He took for his text the passage, "By Their Fruits Ye Shall Know Them" and pointed out that the character of the camp of the whole movement, was formed by that of every individual member. Each girl should aim at upholding the right ideals for which the Girl Guides organization stood, just as years ago when stationed at Aldershot he had noticed how the traditions of crack British regiments were proudly held up and maintained by every individual soldier. The soldier was not merely Private So-and-so or Number So-and-so; he felt himself a "Tommy" and he was proud of his glorious history and honor to uphold appropriate mottos, "Onward Christian Soldiers," "Fight the Good Fight," "All Things Bright and Beautiful" and "Abide With Me" heartily sung and the service closed with the National Anthem.

Wednesday is being looked forward to by every member of the camp, as it will be Visitors' Day and numerous parents and friends are anticipated from Victoria, Metochin and Sooke.

The Camp Commandant, Miss Cotton, spoke to The Times representative in the highest terms of the camp site, which she described as ideal in every way. "It would be difficult to find a more lovely spot," said Miss Cotton.

The girls present a very smart appearance in their neat uniform and all that they are having a really enjoyable time.

A Loss.

It was hoped that detachments of the Boys' Naval Brigade and the Cadets from all over the Province would have been able to have held a combined camp this summer upon the Saanich Peninsula on the beautiful Inner Harbor of Sooke a camp which would have numbered close upon 1000 lads. However the district was recently disappointed that transportation over the Canadian National could not be provided and efforts to arrange this camp at so ideal a location had to be abandoned. This in itself has meant a loss to the district of at least \$5,000.

ASK SHELTERED EMPLOYMENT TO BE GIVEN

Tubercular Veterans' Association Prepared Memorandum

The memorial set out the extent of tuberculosis among ex-service men, and proceeded:

Offer Suggestions.

"We ask your sympathetic consideration of the following proposals, which appear to us to hold out reasonable hope for most of us of 'permanent' arrest of the disease, in place of the present system that does but often prolong our lives with increasing suffering for a year or two."

"We therefore ask that every ex-service man who is regarded as a 'T. B. suspect' within five years of discharge from the army may have opportunity of immediate treatment under those conditions of life and work that will prevent the further development of the disease."

"That when the necessary sanatorium or active period of treatment is ended we may continue the same line of treatment in close proximity to the sanatorium, in a settlement or community where we can live with our wives and children and learn a new trade or occupation suitable for our future lives."

"That this time in a settlement may be sufficiently prolonged, even up to two or three years, to ensure 'arrest of the disease.'"

"That those of us who must always be regarded as 'active T. B. cases' may, if they wish, remain in the settlement and carry on their work there."

Sheltered Employment.

"That the more fortunate of us may, when considered fit to do so, return to our home towns and that 'sheltered employment' may be provided for those of us who need it."

"That the system which we believe the Department of the S. C. R. has recently inaugurated, of allowing us the privilege of consulting a T. B. expert in the neighborhood of our homes at all times, may be perfected."

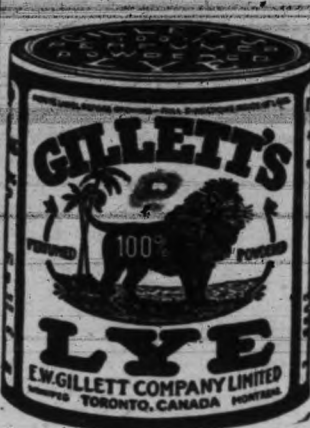

"And lastly that you will extend the time and in all other ways possible facilitate the treatment of ex-service men who develop T. B. because we believe that the periods of years during which tubercular disease of the lungs, and the result of service, may develop, is most indefinite."

"We will outline the practical application of these our requests:

"The addition to Treatment Sanatorium of a village or community to which ex-service men (and civilians) may, when their disease admits, pass from the sanatorium there to complete the arrest of their disease. That they may have the comfort and happiness of living there with their wives and children and be employed in workshops learning suitable occupations."

Special Occupations.

"That these occupations shall be

CITY REVERTED TO GILTED EDGE INVESTMENT

All Men With Bank Accounts Urged to Buy in City Reverted Property

A recommendation that an official be appointed as assistant pro tem to City Assessor Scowcroft during the illness of the latter created a discussion at the regular session of the City Council last night when the whole policy of land assessment and the sale of reverted city lands came in for consideration.

In the discussion it developed that the city is making a brisk sale of its reverted property.

Asking for information, Alderman Todd, told from the chair that, owing to the continued illness of the assessor, the assessment of property had been much delayed. Only Victoria West and a strip of the whole other district had been covered to date, with the remainder of the city to be done before the work was complete. The assessor, however, was not such a post need only be temporary, held the Mayor.

Mr. Fairweather
Outstanding issues had arisen chiefly through errors made in assessment, as Mr. Fairweather, who wished to be assured that the assistant would have his work submitted to Mr. Scowcroft before becoming final. With this provision the appointment of James Fairweather to the post thus created was carried, the remuneration to be left in the hands of the Mayor for arrangement.

Alderman Todd outlined his views of the reverted lands question and assessments, as from the viewpoint of the lands committee. What he feared, stated Alderman Todd, was that the city would get an assessor who would not be able to assess the land at its real earning capacity value. This would "wreck the assessment of the city," held the speaker, and that a considerable cut had already been made in assessments and that the Court of Revision had been able to persuade the public that the assessments were not unjust.

The speaker feared that the pendulum, which swung to excessively high assessments in the past, would swing in the opposite direction and assessments on the real earning power of the land would be made, which would result in a loss of revenue to the city. This problem should be solved in a reasonable, rational way, he held.

No Radical Change
Mayor Marchant expressed himself in agreement, holding that it was not the time for any radical change, but pointing out the assessment work must continue back to further retarded through the illness of Mr. Scowcroft.

Alderman Leeming remarked on the fact that a lot known as the Bank Exchange, on Langley Street, assessed at some \$50,000 formerly, was being sold by the city for \$2,000. This drew from Alderman Todd a statement on the whole question of reverted lands.

Everything pointed to a considerable revival in land values, held the speaker, with the committee weekly reporting a large number of sales of reverted property. In many cases these lands were back to their former owners on the fifteen-year payment plan, plus interest.

Lately the lands had been going at very great prices, but just as soon as the complete price list had been prepared the land prices would rise, in some cases very considerably, continued the speaker. Substantial advances would be made throughout, he reiterated.

The city felt, held Alderman Todd, that it was justified in making a profit from its lands as any speculator. Opportunity was extremely favorable for the buyer of reverted lands just now, and the opportunity of a lifetime lay with those who had bank accounts at this moment. As an instance of this, he continued, the city had received a proposal for \$8,000 to its former owner. This property in five years would increase in value several hundreds of per cent.

The situation was so full of promise that the speaker sometimes wondered why it was that real estate dealers did not do more to secure clients for the city lands. They could earn considerable commission and be going a good stroke of business for their clients, he held.

In passing, Alderman Todd classed that portion of the Short report that dealt with reverted land values as "inaccurate" and held that the real city left would be of great value, as fluctuations in assessments brought an amelioration of taxation charges. All were of the opinion there was going to be very considerable reductions in the assessments. Reverted lands came back mainly on account of excessive assessment and excessive local improvements. With the string of the "excess" removed from these two factors the residue now held by the city would be a valuable asset instead of a liability.

If he were speaking to men with a bank account, continued Alderman Todd, he would advise that city reverted land was a speculation that would shortly yield rich returns. In fact, stated the speaker in closing, he would be very much surprised if the sale of the city land in aggregate did not do much to wipe out sinking fund, troubles and show a clear and substantial profit for the city.

Six sales of reverted land were passed on by the Council after recommendation from the lands committee. Two lots west on Douglas Street between Simcoe and Beacon went to

SAY CITY IS RESPONSIBLE FOR SALES TAX

Canadian Bridge Company Declines to Pay Excess of Stated Sum

Forwarded through City Solicitor H. S. Pringle a letter from John W. Seena, sales manager for the Canadian Bridge Company, read to the City Council in session last night, stated that company had obtained legal advice and found that the city was vested with the onus of showing that the company had agreed to pay the increased sales tax on material before it could ask it to foot the bill on that account.

The company have already declared a willingness to pay the three per cent sales tax that was in vogue at the time of the agreement between the parties, but urged the city to find the money in "excess of this tax, a considerable amount as the sales tax has risen in the meantime."

City Solicitor Pringle added that to date he had not gone into the legal aspect of the case. The report was handed to the legislative committee for action. The sales tax referred to had reference particularly to what is known as the Bridge Contract No. 2, being the rail section of the John Street Bridge. Pending legal advice the Council declined to express any opinion on the matter.

CANADIAN SCOTTISH

Regimental orders by Lieut.-Col. H. M. Urquhart, D.S.O., M.E., A.D.C., commanding 1st Battalion (16th Battalion C.E.F.) the Canadian Scottish Regiment, Armories, Victoria, B.C., August 7, 1922.

Head-dress, rifle range—The following head-dress for use on the rifle range, is approved: Felt hat, Baden-Powell pattern, with Seaforth flaking, left side tucked up and fastened with regimental cap badge.

Notice—There will be a meeting of the members of the Sergeants' Mess in their mess room at 8 p.m. on Tuesday, 8th instant.

FOSSIL EXPERT HERE

Huge Problem to Be Worked Out on Vancouver Island, Cambridge Professor Says

Dr. F. C. R. Reed, F. G. S., F. R. G. S., professor of geology in Cambridge University, who is spending four months on geological research in Canada, has arrived in Victoria from Port Alberni where he has been visiting friends. Dr. Reed is a specialist on fossils like the trilobites.

"Vancouver Island is a most complicated bit of geology," Dr. Reed said. "There are huge problems here concerning the ice age to be worked out. Geological history can be more readily traced in this country than in England, owing to the fact that the hand of man has not left its impress so extensively on the surface of the country."

Dr. Reed will go east by way of Prince Rupert and stop at Mount Robson to study fossils and strata there. For many years he has been doing research work for the Geological Survey of India and also for South Africa.

URGES PAYMENT TO HOSPITAL

City Council Asked to Listen to Request of St. Joseph's

The much bedraggled remnants of the City's liquor profits received further discussion last night when a letter from C. H. O'Halloran, a member of the Advisory Board of the St. Joseph's Hospital, urged consideration of the application of that institution for its share in the profits.

The letter stated that the hospital had taken a large part in charitable work for fifty years of continued operation in this city; had suffered annually from indigent patients, though its doors were ever open to all, irrespective of creed or race, and that last year alone this sum had amounted to \$21,000 in arrears, mostly uncollectable. With this in view, and seeing that the city had already paid out money to the Jubilee Hospital and could not seek a new way of disposal of liquor profits, the writer urged that the application be granted. Mr. O'Halloran went on to say:

Legal Aspect.

"While the writer is communicating with you as a member of the Advisory Board as above stated, it is not out of the way to refer briefly also to the legal aspect of the question as set out in section (108) sub 1 of the Government Liquor Act. Having already paid out a substantial amount of the liquor profits to the senior city hospital the Council has definitely elected to pay such money to maintain and aid hospitals in the City of Victoria, and would, therefore, in the writer's opinion, be degraded from now applying to have some other method of expenditure of the said moneys approved by the Lieutenant-Governor-in-Council."

"In conclusion I desire to make clear that the attitude of St. Joseph's Hospital is entirely one of conciliation and co-operation, having co-operated for so many years in the care of the sick and injured in this city and adjoining districts without ever having made a claim on the public for assistance in the burden it is bearing. The authorities of St. Joseph's Hospital feel that they have saved the City of Victoria many tens of thousands of dollars by work they have carried on. The hospital is now asking for some slight recognition of the services it has performed in the community, and apart altogether from its legal right, concerning which the writer has little doubt, it feels that this application for a portion of the liquor profits is neither unjustified nor injurious to the City's interests."

TRANSACT MINOR AFFAIRS.

In dealing with permits at the regular meeting of the City Council last night that body followed the recommendation of the heads in the various departments and refused one garage request, granting another. Two gasoline pumps street stations were authorized. The location of telephone poles while passed by the city electrician was referred to the public works committee for investigation and sanction if everything were in order.

Four minor tenders for printing and other purposes were passed on the recommendation of the finance committee. At the request of the finance committee also H. G. Allan was appointed to the city treasury department at a stated salary. A memorandum from the Canadian Legion dealing with certain proposals as to the unemployment problem was received and filed.
